## LEARNING CENTER DISCUSSION

A panel discussion on the site of the proposed Learning Center will be held on Wednesday afternoon, Oct. 13th, at 4:00 p.m. in Room 213, Hall Memorial Building. Please note and plan to attend!

## BOARDS TO MEET

The College's Board of Directors and Board of Fellows will each be meeting in the coming weeks.

The Board of Directors will meet on campus on October 21st. It is their regular fall meeting.

The Board of Fellows will meet Nov. 8, 9, and 10. This year they will review "The New Era" and discuss the progress that has been made in meeting the recommendations outlined in that report. They will also seek to develop new long-range goals for all of Gallaudet College. If you have questions or suggestions for the Board of Fellows, contact Ms. Barbara Harslem at Ext. 505.

## OUR STATUE IS LEAVING

The Thomas Hopkins Gallaudet and Alice Cogswell statue which graces the front of the Gallaudet campus will be leaving the end of October. It is due to be shipped by Oct. 27th and will join the exhibit of the works of Daniel Chester French which is due to open at the Metropolitan Museum of Art in New York City on Nov. 3.

The Gallaudet College Alumni Association Board of Directors has authorized Dr. Merrill to have the statue cleaned before it leaves the campus. The cleaning process, which will remove the stains and

corrosion of the years, will return the statue to its original brown color. The cleaning process will probably begin next week.

## CONTINUING MEDIA COVERAGE

Gallaudet is again scheduled to be in the news. A reporter from The New York Times will be on campus this Wednesday, Oct. 6, and will return for a second visit during Homecoming. He will be talking with students and faculty as well as visiting classes and activities. The story he plans to write about Gallaudet will run in the Times sometime in November.
